Hello Huw,
Thanks for the prompt response.
In order to avoid any confusion our end it would be better if you could email me the set of new drawings.
I look forward to receiving them in due course.
Regards
Corinne

Hi Corinne
I've tried calling a couple of times but engaged.
We have a whole set of new drawings that should have been submitted- should we email them to you separately?
I wasn't aware that the portal did this!
Many thanks

Dear Mr James,

I am in the process of compiling the application which you downloaded to the portal on 19th October and have tried to contact you on the telephone without success. It would appear that you have downloaded new/additional documents to the portal on 21st October 2013. When additional documents are added to the same reference number unfortunately, the system pulls through all the previous plans/documents. Therefore I am unable to identify which are the additional documents.

Can you please email me to clarify which ones were added on 21st October.

I look forward to hearing from you

Kind regards

Corinne Clowes

PS

I have received your covering letter through the post along with the Unilateral Undertaking.
