Arun District Council Planning Department:

Application number FG/167/25/PL

**The Pump House, Rife Way, Glebelands Recreation Ground,
Ferring, West Sussex**

Dear Sir,

I am writing to express support for the above referenced proposal to convert the Pump House at Glebelands as a new Men in Shed's workshop.

The Ferring Men in Sheds charity is a vital asset to the community here in Ferring. It provides a communal centre that addresses potential social isolation and enhances mental well-being by providing a location where craft, modelling, woodworking and other activities may be carried out.

This project offers local residents a much-needed venue to connect, share skills and contribute to community projects, fostering a stronger sense of purpose.

I believe initiatives of this type align with the local goals for community health and social inclusion.

I therefore fully back council approval of this proposal and look forward to seeing the positive impact it will have in the Ferring area. This type of activity must be cultivated.

Yours sincerely,
