Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/167/25/PL

Site Address: Behind the Pump House Glebelands Recreation Ground Ferring

Description of works: Construction of a wooden shed/workshop, behind the existing brick built pump house; the two buildings would be inter connected via a doorway. This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 26th January 2026 which has been recorded as support with the comments as follows:

OWPC81063

I walk my dog past the pumphouse every day and it would be great to see both the pumphouse and the wasteland behind it tidied up and used properly again. It is also great that it will have a positive impact on the environment and animal life. What is even better is that it will give Men in Sheds a chance to expand and help more of the local older community of which Ferring has a higher than normal percentage.

Your views as made above will be considered before the application is determined.
