To Arun District Council Planning Department:

Ref: Application number FG/167/25/PL

The Pump House, Rife Way, Glebelands Recreation, Ground, Ferring, West Sussex

I am writing to express my support for the proposed new Men in Shed's workshop at Glebelands Recreation Park.

The charity, Ferring Men in Sheds is a vital community asset for our community, that addresses social isolation and promotes mental well-being by providing a productive space for craft, woodworking, and connection. This project would offer local residents a much-needed venue to share skills and contribute to community projects, fostering a stronger sense of local identity and purpose.

I believe this initiative aligns perfectly with the council's goals for community health and social inclusion. I fully back the approval of this proposal and look forward to seeing the positive impact it will have in Ferring and the surrounding area.

N Richardson.
