Good afternoon Kean,

Thank you for the email. Co-incidentally the remaining consultation advice from our conservation expert has only just been received 23rd November. In light of this I am now in a position to review all the comments and assess the impact of the proposed dwelling.

An extension of time to determination up until the 30th November would be most helpful.

Again I can only apologise for the lack of contact, however, I wanted to gain all the responses first before it allowed me to progress the application.

Kind regards

Mr Elliott,

In reference to the above application I can only apologise for the delay in processing this application due to a late registration.

Due to this situation the earliest we can have a decision with you would be the 22nd November 2018 due my pending assessment and allowing for full consultation.

With this in mind would you be aggregable to an extension of Time until 22nd November 2018?

Kind regards

Stuart Corbey | Senior Planning Officer, Planning Department, Directorate of Place, Arun District Council | Location: First Floor, Arun Civic Centre,
