Dear Mr. Cronin, further to you emailed letter of 16 April, the Parish Council comments are as follows. Please acknowledge receipt.

The following are the Parish Council comments on the additional documents submitted by ASDA: 1. Landscaping - Until the planting bordering the A.259 dual carriageway has established, suitable screening should be in place to an appropriate level to provide a light barrier from the headlights of cars maneuvering in this area.

2. Lighting - Potential light pollution affecting the residential property adjacent to the car park which could have a detrimental effect on these neighbouring occupiers.

3. A further identified potential issue would be the impact of vehicle emissions on this adjoining property.

Many thanks Marilyn Burt
