Hi Nicky

I remember visiting the site and meeting with the (now) applicant.

The tree is a **Himalayan cedar**.

Good Morning

I have received an application to fell a tree at 3 Lavender Court, and the applicant has not given a tree species.

I have spoken to her a couple of times and she thinks it is some sort of Pine/Fir tree, but she really isn't sure. She did say that you visited the property and inspected the tree on 23/10/2018. Are you able to shed any light on what the tree may be??

Many Thanks

Nicky
