

Dear Shelia,

The delay has been caused by the amended description which is "Conversion of garage into bedroom & replace existing conservatory roof to solid roof with Velux (resubmission following FG/144/20/PL). This application affects the character & appearance of the Ferring Conservation Area."

When applications have an amended description they have to be re-advertised for comments. Therefore, the original date for the decision had to be delayed in order to accommodate for this re-advertisement.

Many thanks

Dear Zoe

Can you tell me exactly what has caused this delay please?

What is the amended description?

Was the location address given incorrectly by my agent?

Regards
Sheila

Dear Sheila,

Thank you for your email.

I can confirm that the correct application is FG/16/21/PL.

The decision for this application has been delayed and is due to be decided on 01/05/21. This is due to the application having to be re-advertised due to an amended description and location.

Many thanks

Good morning,

I have left a voice message regarding the above application reference which I understand has been withdrawn due to an incorrect location address.

My agent is Mrs Roz Nowak but I am unable to get any update from her.

Please can you confirm that FG/16/21PL has been reinstated

and that the decision date is 14 April 2021.

Regards

Sheila Morton
