Dear Sir,

I would like to oppose the conversion of the old Police Box in Ferring Street, into a property with no kitchen, garden or room for parking.

This is totally impractical and out of keeping in this area, in a very small plot.

Where are the new owners going to eat? in the lake - areas opposite I suppose!

In fact if it was April 1st I would have thought this

application was an April Fools
Joke!!

Yours faithfully
