Subject: FG/170/20/T Objection to various works to 6 No. Austrian pine trees

Verge opposite 18a Ocean Drive, The Poplars, Ferring BN12 5GJ

Description of works: Various works to 6 No. Austrian Pine Trees

We would like to strongly object to the works being done to these trees. Which seems unnecessary on such a vast scale they really only need a light pruning so the branches do not overhang and not reduced and damaged by such a large amount of pruning. These trees are vitally important to The Poplars as they are part of our drainage system and are home to wildlife.
