Dear Sir

Re: Proposed Development

5 SARK GARDENS, FERRING.

On the planning application the description of the material is described as render & was started in mid October. This is now completed & is not in keeping with the rest of the properties in Sark Gardens which is brick.

The plans also show the extension which has also been completed & extends 3.9 meters.

Neither the existing or proposed plans show any bedrooms or any alteration to the loft space or for any windows.

Yours faithfully
