24th October 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Fell 1No. Monterey Pine. Replant with native species.
17 Chalet Road Ferring West Sussex

Thank you for your internet representation made on 23rd October 2018 which has been recorded as '**support**' with the comments as follow s:

We opposed the preservation order in the first place, please check your records. This is a very large tree that can grow a great deal higher and broader. as it is now it blocks out a great deal of our afternoon sun.it drops vast amounts of needles that cover all parts of our garden, to use our garden we must spend unto an hour on each occasion clearing up needles. These needles block our gutters and drains and have to be cleared twice a year at great cost to us.A large number of birds nest in this tree and then poop down on to our seating deck, to such an extent that it is now a no go area. we have to be very guarded when visitors or our grand children enter the garden because it is no longer safe for them. It is a health hazard and for this reason it should be removed.

Unfortunately it is not possible for the council to respond to each representation individually but your view s will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your view s are clear and only include information that you are happy for the public to view . Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website [www .arun.gov.uk/planning-privacy-statements](http://www.arun.gov.uk/planning-privacy-statements).

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
