Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/179/21/HH
Site Address: 4 Florida Close Ferring BN12 5PF
Description of works: Erection of front and rear extension, loft conversion and detached garage.

Thank you for your internet representation made on 6th November 2021 which has been recorded as an objection with the comments as follows:

OWPC41682

It looks like the owner has listened in part to the comments on the previous withdrawn application, but its disappointing to see that the main objections are still to be addressed. Ferring is not Miami, Florida - despite the road naming, and so this house design does not fit with the traditional look and feel of the village. It's one thing to be progressive, another to be blind and deaf to the comments of those who are tolerant of modernisation but not to a design that will not maintain the integrity of the village and the wider aims of Ferring. Even the local council are not supportive of this proposal. I believe that the current property needs to be updated, and the owner needs to make a return on their investment, but not at the cost of those around them. This building will likely stand for another 100 years+ so there must be a way to achieve both the needs of the village, neighbourhood and owner with a scaled back design.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at [:https://www.arun.gov.uk/what-happens-next](https://www.arun.gov.uk/what-happens-next).

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
