Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Dear Planning,

Proposal: Change of use of ground floor from solicitors offices (B1a) to a veterinary practice (Sui Generis) including changes to shopfronts. This site is in CIL Zone 4 (Zero Rated) as other development.

Address: 11 Season Lane, Ferring BN12 5DTR

I have considered the proposed application and Environmental Health has no objection in principle to the proposed scheme, however the following matters must be considered:

Scheme for any plant/noise control

No part of the building shall be occupied until a scheme has been submitted to and approved in writing by the Local Planning Authority for the control of noise emanating from the building and associated plant and equipment. The measures included in the approved scheme shall be implemented prior to the first occupation of the building that they relate to and thereafter the measures shall be operated in accordance with the approved scheme unless otherwise agreed in writing by the Local Planning Authority.

Reason: To protect the amenity of local residents in accordance with Policy QE DM1 of the Adopted Arun Local Plan 2011 – 2031

Construction hours

No demolition/construction activities shall take place other than from 08:00 hours until 18:00 hours (Monday to Friday) and from 08:00 hours until 13:00 hours (Saturday) with no noisy work on Sunday or Bank/Public Holidays.

[In addition to these hours of working, the Local Planning Authority may approve in writing a schedule of activities where it is necessary to conduct works outside the hours specified in this condition]

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of The Adopted Arun Plan 2011 – 2031

Thank you for your consultation,

Regards
