Subject: Planning application Land adjacent to the Barn Hagleton Lane

Dear Mr Crowther

I am writing in support of this planning application, submitted on 20th November. The application has been submitted by District Carers Ltd as the Company wishes to change the usage of part of the site and erect a new office building.

In discussion with the owners of the business the Council believes that this would enable significant expansion of the business- which is home care for older people. As I am sure you are aware provision of good quality home care has become more and more difficult as owing to a shortage of care workers and businesses no longer being prepared to invest in the sector. This in turn impacts upon the whole health and social care system, with delays in hospitals and older and disabled people not able to live independently in the community.

I am therefore very happy to support this application as it would, if successful, enable growth within the business which will benefit residents across the Arun area.

Please do not hesitate to contact me should you have any queries.

Best wishes

Avril Wilson | Executive Director Children, Adults, Families, Health & Education
