Dear Mr Roberts

15 January 2016

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015
Application for Planning Permission for Works or Extension to a Dwelling

Development First floor and single storey extensions and car port
Location 27 Singleton Crescent Ferring,.

In acknowledging receipt of the above application, I informed you that the target date for determination of the application was 2nd February 2016. Whilst every endeavour will be made to still reach a decision on your application within the statutory time it may not be possible to meet this timescale because it has been necessary to re-advertise the application with an amended description relating to a first floor extension.

I am therefore writing to ask you to formally agree to extend the period for deciding your application until 22nd February 2016.

Please indicate your agreement by signing and dating the response slip at the end of this letter and returning it to me by 22nd January 2016. Please retain a copy of my letter for your records.

If you agree to the extension of time, an appeal against non determination cannot be made until that extended period has elapsed.

Yours sincerely

Karl Roberts
