**Planning Application FG/198/16/PL
1 Sea Drive Ferring**

Dear Sir

I wish to register my objection to this application.

It is a gross over development of this site. Traffic entering and leaving do so at an awkward bend with traffic movement made very difficult by indiscriminate and obtrusive parking. The sight line is restricted by an inward bend in the road making it difficult to see oncoming vehicles.

The plans indicate a total disregard for the adjacent property with many windows looking over and into the adjoining property with no regard to the privacy of these residents.

It is an overbearing proposal and must be declined

Yours sincerely

R,J. Wilde
