Dear Sirs,

I would like to strongly object to 8, 2 bedroom flats being built on the corner of Sea Lane and Sea Drive, this would be totally out of character with this mostly bungalow area. I fear if this went ahead it would open the flood gates to whole of Sea Lane becoming a line of flats, which in my opinion would ruin the lovely feel that Ferring has at

the moment.

It will not help the need for homes, as I am sure a lot of these would become second homes as they are near the sea, as with most the flats along the coast are already.

Also the traffic in this area, especially with the sharp bend, is already dangerous in rush hours and holiday times and week-ends.

Yours faithfully

MRS.
