7th February 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Demolition of existing house with erection of 2 storey building comprising of 8No.
residential 2 bedroom flats & associated external works
1 Sea Drive Ferring

Thank you for your internet representation made on 6th February 2017 which has been recorded as '**an objection**' with the comments as follows:

This another application to infill land with flats on the premise of providing the additional accommodation set out in the local plan. However, like the flats already approved for Beehive Lane, these flats will be bought as holiday or second homes by people from outside the area or by people wishing to retire to a home by the sea. They will not be for young local people with families who want to remain in the village or for people working locally. Apart from being out of keeping with the area, to replace one property with 8 new units will increase traffic in an area already under pressure from too many vehicles and cause problems i through the village itself. There is always a tailback at the level crossing and the extra cars from both developments will add to that problem plus there is insufficient parking for access to the local shops, medical and dental faciities etc.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Director Planning & Economic Regeneration
