Subject: Re: FG/198/16/PL 1 Sea Drive, Ferring

Good morning Andrew,

I note the changes on the planning website in that new floor plans have been moved to the top. I also note the developer's email (also uploaded) says they have achieved 8 spaces in an underground car park yet the plans uploaded only show 7. Are there further revised plans still to come that match the email ?

Please could you also confirm that there are revised elevations to be submitted to take account of the underground car parking as well as the environment agency's stipulations on ground floor levels.

Many thanks,

Sally

Mrs. Henderson,

I am awaiting further amended plans from the agents before re-advertising the application but I can assure you this re-advertisement will take place and you will be notified by email in person alongside all the other people and organisations who made comments, as well as the public notices being put up again.

You will also be notified by email of the dates of any prospective committee meeting and be given an opportunity to request to speak at the meeting however every individual complainant has to be treated in the same way and be given the same opportunity to apply to speak, so while an email notifying you of your opportunity to speak, it is up to you to respond to this email in a timely manner.

I hope that clarifies the procedure. Do contact me if you wish any further clarification.

Thank you,

Good afternoon Andrew,

I write following our conversation on Friday with regards to the above planning application.

I have seen that the new plans have been uploaded onto the council website but the consultation and decision dates have not been amended.

You informed me that there would be new orange planning notices put up to draw people's attention to the amendments and a new consultation period so that comments on the new plans could be made, then the application would be discussed at the development committee. You said you were hoping everything would happen in time for the meeting on 25th April and that letters would be posted to all those who had commented once the agenda was set to invite people to speak at the meeting. You stated that there would only be an opportunity for 5 people to speak and these spaces would be allocated on a first come first served basis.

As we discussed, we will be away on a family holiday in April and its likely to mean that we miss these letters. Given this, and the fact that we live immediately next door to the proposal, i would consider it very unfair if someone who were not as affected as we would be were allowed to speak and we were not, so kindly confirm that you will hold a space for us to speak at the committee meeting when this proposal is discussed.

Please could you also confirm when the website will be updated with the new consultation dates, and the new orange signs put up at the proposal site.

Thanks and Regards,

Sally
