Mr. Lucas,

Pls. see the attached comments and request for a condition from the Environment Agency.

It has requested that the 'finished floor levels are set no lower than 5.8m above Ordnance Datum (AOD).'

An objection has been received requesting that it is confirmed that the building will be of the height shown it is alleging that once the permission has been granted. I would consider that this issue would be likely to be raised at committee. Can you confirm that on the plans as submitted the 'finished floor levels are set no lower than 5.8m above Ordnance Datum (AOD).'

Thank you,

Andrew Wood
