Hi Andrew

I confirm that the whole building rose by approx. 200mm to accommodate the basement parking which, incidentally, took the building FFL up to 5.800m AOD as required by the FRA.

Should you require any further information, please do not hesitate to contact me.

Kind regards,

Gary Ferrier

Gary,

Can you please confirm if the height of the building on any party of the elevation facing onto Sea Drive rose as a result of the addition of the entrance to the underground car park.

Thank you,

Andrew Wood
