Emma,

We recently consulted WSCC Highways on 28th June 2017 concerning amended plans to FG/198/PL including 3 further underground car parking spaces Dwg.no. PL004 Rev L.

Could you confirm that the car parking space sizes are of an acceptable size and that no further swept path analysis is required for you to assess the scheme?

For the avoidance of doubt I attach the relevant plan.

Thank you,

Andrew Wood
