

4 Sea Drive
FERRING
BN12 5HD.

20.7.17.

Dear Mr Wood,

Planning Application F9/198/16/PL

My reference CWPC 13560

Further to previous comments, I would like to re-iterate the following:-

Sea Drive is the responsibility of Ferring Roads Association - not the Highways Agency. It is very narrow - no two cars can pass each other, and quays develop to get in or out of the road when delivery vans are parked.

With 2 households out of six having disabled people it is important that Ambulances and cars have access.

Where are construction vehicles going to go?
