Planning application FG/19/10/TC reduce one Conifer and one Sweet Chestnut at 10 Ferring Street. Ferring .

I have had a look at these trees in the front garden of the house and confirm that I have no reason to appose the suggested pruning and reduction.
The conifer is of poor quality, and the Chestnut ,is multistemmed and overgrown in the area on which it stands.Neither of the trees is worthy of a TPO.

I hope this will be of help to you.
