Dear Andrew,

We did grant an extension of time and I asked to be present at the committee meeting.

With regards to disability access, most disabled people would be able to access first floor bar, this includes people with following disabilities:

1. Blindness
2. Low-vision
3. Hearing Impairment
4. Locomotor Disability
5. Dwarfism
6. Intellectual Disability
7. Mental Illness
8. Autism Spectrum Disorder
9. Cerebral Palsy
10. Chronic Neurological conditions
11. Specific Learning Disabilities
12. Speech and Language disability
13. Thalassemia
14. Hemophilia
15. Sickle cell disease
16. Multiple Disabilities including deaf-blindness

17. Acid Attack victims
18. Parkinson's disease

Wheelchair users can be accommodated in the bar and restaurant situated on the ground floor, where over 65% of seating area is accessible by wheelchair.

I hope that the above is acceptable.

Kind Regards

Maja Myall

Firstly,

Could you agree to an extension of time until May 28th 2021 to allow the application to go forward for planning committee. If you can do this by return of email that would be much appreciated

Secondly, what is the provision for disabled access to the first floor.

Thank you,

Andrew Wood
