16th February 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015

Loft conversion & rear extension
63 Midhurst Drive Ferring

Thank you for your internet representation made on 15th February 2018 which has been recorded as '**an objection**' with the comments as follows:

This comment is made on behalf of my aunt, Mrs Joan Ansell (nee Brooman) of 89 Midhurst Drive, Ferring BN12 5BL, who has no internet access. The proposed rear extension and loft conversion are excessive for the size of the plot and the surrounding properties. Many houses in the street have dormer windows but the massive extension of the roofline in this case is unprecedented. It presents substantial over-development, using materials which are not in keeping with the property or with neighbouring properties. The proposed windows are intrusive to adjacent homes. This is opportunistic and unprecedented over-development of a small home on a small plot.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
