Dear Sirs

Planning Application. FG/1/18/HH

63 Midhurst Drive, Ferring BN12 5BQ.

I wish to object most strongly to the proposed development as submitted on the following grounds.

1. This is in a road and area of bungalows not houses!
2. The South view onto the Ilex would be totally out of keeping with our conservation of the area.
3. No one would object to a dormer window on the existing premises, but extending out with a two storey extension to the south is pushing it too far.

I trust that you will take all this into consideration when deciding on the application.
