Mr Miller,

Thank you for your email.

This application is for a House Holder (HH) development. HH applications do not have to be reported to Committee where the Parish Council has objected. I have copied the Parish Council in on this email.

Ross

Mr Leal: I see from the web site that you are minded to recommend approval of this application and get the decision by Friday. Is it not the case that where the Parish Council has objected, the application must be decided by the Development Control Committee? Ferring Parish Council did send an objection, and I am copying this to the Chairman of the Parish Council for information – Ed Miller, Ferring Conservation Group
