63 Midhurst Drive Ferring

Thank you for your internet representation made on 8th March 2019 which has been recorded as '**an objection**' with the comments as follows:

The decision date for this application has passed, also the date for comments, but you are adding items to the file, (photos of the film and lockable catches and a Dymo Tape machine produced Do Not Open sign stuck to the bottom of the window.. This is not a serious proposal. The council planning department will be thought of as useless, if it cannot impose planning conditions. The film can be removed ,the lock unlocked and a stick on sign removed at will.

This has all been mentioned before but know one in the planning dept seems to take any notice of neighbours privacy but are more concerned with appeasing the applicant. .The original condition should still apply, Fixed and Non-Openable

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
