**Subject:** Change of planning requirements

Good Afternoon,

In Lieu of the letter sent to us on the 6th November requesting further information we have been advised to change the plans to our proposed extension and submit a Notification for prior approval for a Proposed Larger Home Extension as this would fall comfortably under the amended permitted development requirements.

I have attached the requested form, and map to show the change in decision and layout.

If you could please return the cheque for £206 to me as planning permission is no longer required.

If you have any questions about this please do give me a call.

Regards,

Chris Thwaites
