Mrs A Gardner

30th January 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Installation of a Six Pump (12 Filling Position) Petrol Filling station, Drive-to-Pay Kiosk & associated works including Jet Wash, Air/ Water Services & Vacuum Equipment
Land at Asda Superstore Littlehampton Road Ferring

Thank you for your internet representation made on 29th January 2018 which has been recorded as '**support**' with the comments as follows:

This planning application would provide a a useful new petrol station adjacent to the Asda Ferring store and compliment the store's facilities and increase choice.

At present on the A259 there are 2 existing petrol stations in Durrington and near the "Body Shop" Roundabout, some 6 miles apart also Tesco West Durrington is 3 miles away form our part of Ferring whilst Steeles in Goring way can be difficult to exit given the volume of traffic.

We would welcome this planned new petrol station at Asda and feel certain that given the planned new housing for Angmering will be a useful local addition.

Moreover, the already agreed future upgrade of the A259 will alleviate "traffic bottlenecks" which build up where there is no dual carriageway and cause annoying back ups. This in turn will help.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
