Hi Anita,

I'd be grateful if you could give me a call back on the number below to discuss the application, at your earliest convenience.

In the meantime, please find attached a response from our Highways consultant in regard to comments received from the Council's highways officer.

Kind regards,

Morning Anita,

I tried calling you yesterday however was unable to get through.

I've seen the response from the EHO online which I've asked our acoustic consultant to respond to. I do note that the EHO comments do not raise any objection to the application, but rather request clarification on a number of matters, which we will seek to address.

Could you confirm whether the Environmental Agency have been consulted on this application, and if so, whether they have provided their comments?

Kind regards,
