Dear Anita

As you are aware there has been some confusing advise with regards this proposal and we have been instructed by our client to withdraw the application whilst alternative proposals are developed.

I hope you understand.

Dear Mr Jones,

I refer to the above application. The details submitted are not acceptable. The balcony ends would need to be screened with 'obscure' glazing, not opaque and the screening would need to extend the depth of the balcony at a height of 1.8m as stated in the condition, not just a 0.3m depth.

Accordingly, I await confirmation of your clients intention's. Either the application can proceed to a decision and will be refused or substitute plans can be accepted provided they are received by the end of this month.

Yours sincerely

Anita Gardner
