Mrs A Gardner

6th February 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application for temporary variation of condition 11 following grant of planning permission FG/16/12/ to allow for additional opening hours for the Christmas period to include 24 hour opening from 20th of December to 24th of December annually.

Asda Stores Limited Littlehampton Road Ferring

Thank you for your internet representation made on 5th February 2019 which has been recorded as '**an objection**' with the comments as follows:

We are sorry to be late with the this representation but Ferring Conservation Group wishes to object to this application, of which we have only just been made aware. The commercial use of this site becomes more and more intensive with every application - notably for the petrol station, and now for 24 hrs opening over the Christmas period. There is surely no unmet need for this store to be open between midnight and 6am on any day of the year, and least of all over the Christmas period. Such an opening does not respect the character of this stretch of Littlehampton Road, which is at least semi-rural, and it does not respect the amenity of the neighbouring houses.

The concurrent application for an alcohol licence to cover this period is even more out of character and shows complete disrespect for the community and the time of year. Please refuse this application. - Ed Miller (Secretary, Ferring Conservation Group)

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
