Hi Katherine,

This application has an objection from the Parish Council which means that if it is recommended for approval it will need to be determined at Development Control Committee on 10-04-2019.

Without prejudice I can advise that I have not discussed the proposal with other officers in the sign off chain, but it is my intention to recommend approval I would therefore appreciate your agreement to an extension of time on the application until 12-04-2019 to allow the application to be determined at Committee and for the decision to be issued.

Regards

Anita

Further to the registration of the above planning application we write to request an amendment to the terms of the application.

The application seeks to vary a condition to allow for Christmas trading, however given the closeness to Christmas 2018 we write to ask that the application be varied so that it can apply to 2019 onwards.

As such we request a variation to the condition to read as follows:

"On any day, the retail use shall be operated between the hours of 0600 and 0000 only and not at any other time, except for the period from 20th December to 24th December annually where the 24 hour trading is permitted."

We look forward to receiving confirmation that you have received this email and that the application will be progressing on this basis.

Many thanks
