Yes please. It is in the hands of an FRA company, but they have to order certain documents to do it so are waiting for those. I'll send over as soon as it comes back. Shouldn't be too long now. Regards Matt

Thank you. I have obtained 3 quotes for an FRA so will be commissioning it this week. Will take at least a week to ten days and very expensive (£700) so please do not return application. Please provide a decent extension for us to work to. Thanks

Hi,

Please see revised elevation sheet attached. I will have to get some quotes for obtaining the flood risk assessment as from previous experience they are very complex so I wouldn't know where to start. I'll speak to the applicant and see what I can do asap.

Kind regards

Matt

Dear Mr Naish

Thank you for getting back to me so quickly. That plan is fine. We are still awaiting a flood risk assessment and the dormer would be visible on the proposed north elevation. Once that is received I will get that uploaded for you right away.

Kind Regards

Sian
