Dear Nicola

Thank you for your letter and your time in speaking with my wife on Christmas Eve to advise us.

In answer to your questions, please see below:

- 1) Please confirm your acceptance of the amended description. - **Accepted**
- 2) Please amend the proposed elevations to include the proposed external works. - **We are proposing to render the entire outside of the bungalow, from ground to roof level.**
- 3) In the Planning Statement it states you will be cladding the building, but this do not appear to ne included in the application form. Please clarify if this is to be included.- **We are proposing to render the outside of the bungalow in sand and cement and then paint in a pale grey or white. There is no intention to use other cladding materials. We apologise for the confusion in using the term "clad" rather than "render".**

Should you have any further questions, please do not hesitate to contact us but in the meantime, we hope this clarifies the matter.

Thank you for your assistance in processing this application. We hope you have been enjoying the festive season and wish you a Happy New Year!

Kind regards
Murray Coughtrey
