Supplement to objection
To development
9th Jan 2019

Dear Sirs,

I Noticed whilst walking on the footpath in Sealane, Ferring, if you stand facing Tamarisk Way that Elm Lodge is mirrored on the opposite side by its twin. It has obviously been arranged with symmetry in mind and adds character to the entrance of Tamarisk Way. It would be a loss if this feature was compromised by proposed development. I hope you will consider this additionally.
