Dear Sir/Madam

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

---

Erection 1 No. dwelling with integral garage.  
Land adjacent to Elm Lodge Tamarisk Way Ferring

---

Thank you for your internet representation made on 26th January 2019 which has been recorded as '**an objection**' with the comments as follows:

*We urge the Council to reject this application. The applicants have bought a house with a sizeable garden, and seem to consider it appropriate to apply to build a second property in their garden for personal use. The existing property to possibly be lived in part time by other members of their family. Do they mean a Holiday Home? If so, this does not address local housing shortages. We consider that the garden should be used for its intended purpose i.e. for pleasure and the growing of fruit, flowers or vegetables. Tamarisk Way is a small community of people seemingly living in harmony and this application must have caused a huge amount of dismay and anguish amongst the residents.*

*We cannot stress how strongly we feel about people coming to live in our lovely village, and trying to destroy the essential fabric of village life.*

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website [www.arun.gov.uk/planning-privacy-statements](http://www.arun.gov.uk/planning-privacy-statements).

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be

automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther  
Group Head of Planning
