April Cottage
4 Tamarisk Way
Ferring
West Sussex
BN12 5ER

Dear Sirs

I would like to Object to the Proposed Planning Application as it's Completely going to change the Balance of Tamarisk Way at the Entrance with already having two mirrored Imaged Bungalows on each Corner which have been in place since the 20s/30s.

- 1)The proposed new access is in my opinion very Dangerous as entering and exiting Tamarisk Way at present is dangerous and you need to very aware of the speeding traffic in Sea Lane.
- 2)Increasing the risk of further flooding on the Junction Corners
- 3)The natural pond area in the Garden which is to be Decked in time will allow the wildlife to vanish and no doubt cause other issues.
- 4) This Development will also invade the Privacy of the residents who live Opposite in Malaga which is already going to be affected by the Application by these Developers previously submitted earlier (FG/186/18) approved on the 5/12/18.

Please could I request an on site inspection which will give you a better overview of this unnecessary devolvment and assist you in Refusing this Application

Yours Sincerely
D D McMahon
