Mr Wood

Thanks for letting me know. We do sincerely hope that the objection by the Arun DC drainage engineers and the real concerns of local residents here are given full weight when the final decision is made.

Mr. Bettiss,

I have changed the 'decision by' date on the application to 31/03/2019.

Thank you,

Dear Mr Wood

I note that in relation to the above planning application the website indicates that the "comment by" date has been moved back by 3 weeks until 29/3/2019 while the "decision by" date remains as this coming Friday 8/3/2019. Is this correct please as it doesn't seem to make sense?

If so, can you tell me why has this happened and how does this correlate with comments apparently possible 3 weeks after a potential decision?

If a mistake, can it please be rectified?

Thank you.
