4th April 2019

Ref no:

FG/229/19

Dear Sirs,

I would like to oppose the application for a new build on the corner of Seahare and Tamarisk way, with even moving the property from the original plan I feel would still not be acceptable as it will still spoil the open outlook and effect the character on this corner and

Spoil Ferring, for which its
appeal is its open rural feel.

Yours faithfully
