Dear Sir/Madam

**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Erection 1 No. dwelling with integral garage.  
Land adjacent to Elm Lodge Tamarisk Way Ferring

---

Thank you for your internet representation made on 19th April 2019 which has been recorded as '**an objection**' with the comments as follows:

*Thank you for the information on the revised plans. As a resident of Tamarisk way, I would still wish to object to this application, as the small change to the position of the new house, does not look like it will help much in relation to the adjacent drainage pond problems, the pond remaining by necessity the same size, which and is in fact part of the very important natural village drainage system, that runs into a culverted drainage ditch . which was piped in the 1960s ( Arun planning Ref FG/125/60/B ) behind my property and others on the northern side of Tamarisk Way, then continues into a similar ditch in Sark Gardens. Any damage to this from development now, or in the future, could seriously damage it's ability to clear water from that area of Tamarisk Way, (and Sark Gardens) which presently is liable to flooding, this used to be kept in check with the help of the many large trees in the garden, which the new owners, possibly very unwisely, recently removed*

*The proposed new grey house in a garden is totally out of character with the rest of the close, plus the size and position (So close to Elm Lodge) will ruin the wide open feel to the entrance of the road, presently created by the two properties either side.*

*Please refuse this application.*

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded.
