Subject: FG/220/18/PL - Land adjacent to Elm Lodge, Tamarisk Way - Extension of Time request

Dear Juan,

Thank you for taking the time to discuss the application progress this afternoon. As requested, I agree to a further extension of time until Friday 31st May 2019 for you to issue your decision.

I understand that you have visited the site and as explained, the groundwater pond is completely dry - I attach a photograph taken last weekend showing this.

It is disappointing that the application has taken over 5 months so far to determine, but was encouraged by our conversation that you would now like Neil Crowther, Group Head of Planning, to review Andrew Wood's report on the application with a view to enabling the final decision to be issued at the end of next week.

Should you have any further queries in the meanwhile, then please do not hesitate to contact me.

Kind regards,

Malcolm Jenkins
