Subject: RE: Planning Consultation on FG/22/18/DOC

**WEST SUSSEX COUNTY COUNCIL
COUNTY HIGHWAYS CONSULTATION RESPONSE**

DATE: 28/02/2018

FROM: Ian Hayward **TO:** Arun District Council
FAO: Mrs A Gardner

SUBJECT: FG/22/18/DOC - Application for approval of details reserved by conditions imposed under planning permission FG/37/17/PL relating to condition No. 3 (Schedule of materials), 4 (Surface water drainage), 6 (Construction Management Plan) & 8 (Landscaping scheme).

Onslow Caravan Park, Onslow Drive, Ferring, West Sussex, BN12 5RX

DATE OF SITE VISIT: n/a

RECOMMENDATION: Advice

S106 contribution total: n/a

This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals which include up to 5 residential units or extensions to single units accessed from roads that do not form part of the Strategic Road Network (SRN). As such the comments provided by Planning Services should be considered to be advice only, with respect to this planning application.

This proposal has been considered by means of a desktop study, using the information and plans submitted with this application, in conjunction with other available WSCC map information. A site visit can be arranged on request.

I refer to your consultation in respect of the above planning application and would provide the following comments.

This application seeks the approval of details reserved by conditions imposed under planning permission FG/37/17/PL relating to condition No. 3 (Schedule of materials), 4 (Surface water drainage), 6 (Construction Management Plan) & 8 (Landscaping scheme).

FG/37/17/PL sought Demolition of 3 No. buildings & erection of replacement workshop & machinery store at Onslow Caravan Park, Onslow Drive, Ferring, from inspection of my records WSCC was not consulted on this application.

Condition 3 (Schedule of materials)

I note plans and details pertaining to this conditions has now been approved

Condition 4 (Surface water drainage)

I note plans and details pertaining to this conditions has now been refused

Condition 6 (Construction Management Plan)

Condition 6 states:

A Construction Management Plan should take all relevant precautions to minimise the potential disturbance to neighbouring residents during the demolition/construction phase of the development, particularly in respect to noise, vibration and dust. No development shall take place, including any works of demolition, until a Construction Management Plan has been submitted to and approved by, The Local Planning Authority. The Approved Plan shall be adhered to throughout the construction period. The Plan shall provide for:

- *An indicative programme for carrying out the works*
- *The arrangements for public consultation and liaison during the construction works.*
- *Measures to minimise the noise (including vibration) generated by the construction process to include hours of work, proposed method should foundation piling occur, the careful selection of plant and machinery and use of noise mitigation barriers.*
- *Detail of any flood lighting, including location, height, type and direction.*
- *The parking of site operatives and visitors*
- *Loading and unloading of plant and materials*
- *Storage of plant and materials used in construction and development*
- *Wheel washing facilities*
- *Measures to control the emission of dust and dirt during construction*

Reason: In order to safeguard amenity in accordance with policy GEN7 of Arun District Local Plan. This is required to be a pre-commencement condition because it is necessary to implement the approved details prior to works commencing.

After review of the submitted construction management plan no highway safety or capacity concerns would be raised.

Condition 8 (Landscaping scheme)

After review of the Landscaping Scheme no highway concerns would be raised.

I do note that the southern boundary of the site runs adjacent to F.P 2114_1 and the landscaping will abut this boundary. I have therefore raised this application with WSCC Public Rights of way who may provide comments in due course.

Ian Hayward
County Highways, West Sussex County Council
