Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/24/20/HH
Site Address: 31 Cissbury Road Ferring BN12 6QL
Description of works: New garden building.

Thank you for your internet representation made on 20th May 2020 which has been recorded as an objection with the comments as follows:

OWPC27021

This building is substantial, and takes up the best part of half the garden. It is also to the side of my property and the noise from this is significantly reducing the quality of my residence here. It clearly takes the building footprint to more than 50% of the land, associated with the house and therefore is NOT PERMITTED. I am not 100% sure, but it also appears to be more than 2.5m high, which is NOT PERMITTED. In addition to the flagrant disregard for planning rules, it is not in keeping with the area; as Ferring is known for its good size gardens, which this building destroys, to the detriment of wildlife and the area. It should be demolished and the garden brought back to its original state. This can not be allowed to stand.

Your views as made above will be considered before the application is determined.

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
