Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/24/20/HH
Site Address: 31 Cissbury Road Ferring BN12 6QL
Description of works: New garden building.

Thank you for your internet representation made on 1st June 2020 which has been recorded as an objection with the comments as follows:

OWPC27396

This building is a large construction which is capable of several uses. Examples of possible uses are: Storage of garden equipment and materials, although its size and construction would indicate it is too large and substantial for this purpose. It has white cladding, double glazing and electricity connected.

Sleeping accommodation

Entertainment area when linked with the lawn between the bungalow and itself.

Office space

The application does not indicate what the building is to be used for and I would suggest that this needs to be ascertained in writing before approval is considered.

I object to the New Garden Building on the grounds it is out of keeping in a residential area and its use has not been indicated in the application.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely
