

Dear Zoe,

Further to our telephone conversation just now, I'm attaching a Proposed Location / Block Plan, and the existing and proposed elevations with amended annotation.

Should you require any additional information please don't hesitate to contact me.

Best regards,

Chris

Dear Christopher,

While looking through the plans of this application I have noticed some issues on the proposed block plan and elevations.

Please would you be able to send in a revised proposed block plan to show the proposal on the plan. Therefore, I will be able to work out the boundaries of this development to the neighbouring properties.

I will also need a revised proposed elevation plan. The current plan labelled 'proposed section and elevation 005' shows the sections labelled AA, BB and CC. However, I require a separate plan to show the proposed elevations labelled North, East, South and West as well as front, rear and side.

If you could send in these revised plans ASAP it would be much appreciated so I can progress with this application.

Many thanks

Zoe Toppin

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- **Research planning and building control history**
- **View any planning applications, plans, agreements, tree preservation orders or competent persons data**
- **Submit building control applications**
- **Submit planning application comments**
- **Report any planning compliance issues**

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.
