Dear Mr Weeden,

Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended) - Article 9

Application for non-material amendment following grant of planning FG/52/12 - reduce window & extend roof
18 Oval Way, Ferring, .

I refer to your recent application for a Non Material Minor Amendment. From the information submitted I am satisfied that the revisions proposed; namely increasing the roof projection by 1m and inserting a rectangular window in the south elevation of the porch extension can be taken as a Non Material Amendment to planning permission FG/52/12.

Please note that the extract plan submitted with this application under drawing number 8832/1 (Block plan, Existing and proposed elevations and Ground floor plans) has become the approved plan in relation to the porch extension and replaces the plans approved under FG/52/12 in this respect.

I trust this information is of assistance to you.

Yours sincerely

Karl Roberts
